

IMPORTANT NOTICE TO MEMBERS OF

_____ CREDIT UNION

California Financial Code § 15201(b) provides that the board of directors may apply to the Commissioner of Financial Institutions for approval of a merger in accordance with a plan of merger approved by a majority of the board of directors of each credit union that is a party to the merger, even though less than a majority of the outstanding members of a disappearing credit union has voted to approve the merger. In order to approve a merger in such a case, the Commissioner must find, upon the written and verified application filed by the board of directors, that: (1) notice of the meeting called to consider the merger, or the ballot for written vote on the merger, was mailed to each member entitled to vote on the merger; (2) the notice or ballot disclosed the purpose of the meeting or the written vote; (3) the notice or ballot informed the membership that approval of the merger might be sought pursuant to Financial Code § 15201(b); and (4) a majority of the votes cast were in favor of the merger.

This notice is to advise you that the purpose of the membership meeting scheduled for _____ (date) is to vote on the question of whether this credit union should merge with and into _____ Credit Union. Further, this is to advise you that the board of directors will make an application under Financial Code § 15201(b) for approval of the merger in the event that a majority of all members of this credit union do not vote to approve the merger, in person or by proxy at the meeting, or by ballot.
